Residential on 1.81 Acres

REDDEN FERRY ESTATES, Eden, MD

Stunning Waterfront Retreat with Private Dock
-Back on the market; the previous deal fell through due to no fault of the sellers.

Both the inspection and appraisal have been completed. The appraisal came in higher than the asking price, confirming the property's excellent value. This custom-built waterfront home delivers luxury, comfort, and style—all just two years young and meticulously maintained. Set on 1.81 acres with more than 3,100 sq ft of living space, it combines exquisite craftsmanship with modern convenience, and even comes with your own private dock.

Step through to the front portico of the home and you are greeted with a beautiful, barrel-arched wood ceiling, then enter through the striking front doors. Straight ahead, a wall of sliding glass doors frames serene water views, filling the home with natural light.

The living room sets the tone with illuminated custom niches and a contemporary electric fireplace, perfect for cozy evenings or elegant entertaining. The kitchen is a showpiece in itself, featuring bamboo-style cabinetry, solid surface counters, a center island, gas range, dual ovens, and a generous, custom walk-in pantry.

The primary suite is your personal retreat, with direct porch access overlooking the water.

Two walk-in closets, dual spacious vanities, a soaking tub, and a tiled walk-in shower complete the spa-like experience. Two additional bedrooms are thoughtfully placed on

the opposite side of the home, each with its own vanity and access to a shared bath area. Working from home? A dedicated office makes it easy. Everyday tasks feel elevated with a spacious laundry room boasting custom tile, soapstone counters, and a deep sink. Upstairs, a versatile bonus room and oversized walk-in storage area add flexibility for hobbies, guests, or play. Outdoor living shines here, with a wide covered porch spanning the back of the home plus a screened porch for your enjoyment. A three-car garage, dual Hybrid HVAC system with propane backup, and a completed inspections add peace of mind. (Not in a Flood Zone)

All this, just moments from a winery and country club—ideal for both relaxation and recreation.
