NONE AVAILABLE, Pittsville, MD

Some homes are just properties. And then there are places like this, where space, style, and setting come together in a way that doesn't happen often, if ever. Set on 2.3 acres of open land, this Pittsville home offers you the rare chance to live with room to breathe, quiet you can actually hear, and access to both Worcester and Wicomico Counties that's almost too good to believe.

Let's start with the inside. Completely transformed with durable LVP flooring, a gourmet kitchen with new stainless appliances, and a show-stopping bathroom renovation with jaw-dropping tilework. Every inch of this home has been upgraded with intention and it shows.

Even more impressively, the home's flexible floorplan is currently being used as a six-bedroom setup, giving you endless options for hosting, working, playing, or just spreading out. (Note the home's floorplan is in fact a 5BR +Den). Whether it's a full house of family and friends or just you soaking up the peace, there's a layout that fits your life here.

Step outside and you'll understand why people fall hard for this kind of setting. The backyard was made for living, not just looking. You have a custom adventure play set perfectly placed beside the pool. You also get a sparkling outdoor pool for summer days that stretch into evenings. There is a serene firepit

patio that feels like your own little retreat. And finally, there is room to ride ATVs, go for trail runs, or simply enjoy wide-open space for the kids or grown-ups to roam. This isn't just a backyard, it's a lifestyle already in motion.

The location is what makes this one really special. You're nestled between Worcester and Wicomico Counties, which means easy access to both Salisbury and the beach towns without having to compromise on privacy or pace. You're surrounded by acres and acres of open farmland, so your views are unbothered, your mornings are peaceful, and your nights are star-filled. You're close to everything but it doesn't feel like it. And that's the magic.

Here's the thing. You don't find homes like this. They find you. The land, the location, the lifestyle, it's all here and it's all move-in ready. If you've been waiting for the one with space, flexibility, and that just-right balance of nature and access, then you already know.

Don't sleep on this. These types of properties don't wait around and once it's gone, it's gone. Whitesville Road is calling. Will you answer?
